Coach Conduct Pledge

(All Registered Coaches for U-8 and up are required to print and sign this Coach Conduct Pledge in order to coach in the upcoming season. All coaches and assistant coaches must hand in their signed pledges to the Volunteer Coordinator before coaching for the season can start.)

I pledge to treat my players, the players on the opposing teams, my fellow coaches, the referees, and other attendees with respect.

I pledge to refrain from cursing, profanities, and unsportsmanlike language while engaged in all coaching duties.

I pledge to refrain from using insulting, threatening, or harmful language towards my players, the opposing players, my fellow coaches, or the referees.

I pledge to refrain from physical altercations and acts of violence while engaged in all coaching duties.

I pledge to abide by the referee's rulings.

I pledge to instruct my players to uphold their Player Conduct Pledges.

I acknowledge that as a coach working with DGR soccer I am expected to lead my players by example and set a tone of selfcontrol and good sportsmanship.

I acknowledge that failure to uphold my pledge could result in removal from my coaching position.
